1. Employment

The employee is employed as a Senior Software Engineer. The normal place of work is the employer's Manchester office, with hybrid working permitted under the Remote and Hybrid Working Policy.

Employment is subject to UK law and the terms of this contract.

2. Working Hours

Normal working hours are 37.5 hours per week, Monday to Friday. Additional reasonable hours may occasionally be required, subject to applicable UK working-time requirements.

3. Annual Leave

The holiday year runs from 1 January to 31 December. Employees receive 25 days of annual leave per holiday year plus UK bank holidays.

Leave should normally be requested through the HR system at least 10 working days before the first day of leave.

4. Notice

After probation, the employee must provide one month of written notice to resign. The employer will normally provide one month of notice, subject to applicable statutory requirements.

5. Data and Confidentiality

The employee must protect confidential business information and personal data and follow information-security and data-protection policies.
